TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Deerfield, in the County of Rockingham, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall, in said Deerfield, on Tuesday, the twelfth day of March next, at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriation of the same.
3. To see if the town will accept state aid for construction of the Class II road known as South Deerfield Road and raise and appropriate or set aside for said purpose the sum of \$811.50; or will accept state aid for construction of Class V roads and raise and appropriate or set aside for said purpose the sum of \$811.50.
4. To see if the town will vote to instruct the Selectmen to hire money in anticipation of taxes.
5. To see what action the town will vote to take regarding the price paid for labor on town work.
6. To see if the town will vote to give a discount on taxes paid before certain dates and fix said dates and discounts.
7. To see if the town will vote to raise and appropriate a sum of money for Memorial Day.

8. To see if the town will vote to raise and appropriate a sum of money to pay on the note owed by Deerfield Voluntary Fire Department.

9. To see if the town will vote to purchase new equipment for plowing snow and raise and appropriate money for the same.

10. To see if the town will raise and appropriate a sum of money to buy snow fence.

11. To see if the town will authorize the Selectmen to administer or dispose of any real estate acquired by the town through Tax Collector's deeds.

12. To see if the town will vote to instruct the Selectmen or Assessors to have printed a valuation book of all property in the town of Deerfield, both real and personal, resident and non-resident, as of April, 1935.

13. To transact any other business that may legally come before this meeting.

Given under our hands and seal this twentieth day of February, in the year of our Lord nineteen hundred and thirty-five.

CARL M. FOGG,
WALTER B. SCOTT,
HOWARD P. KING,
Selectmen of Deerfield

A true copy of Warrant. Attest:

SCHOOL DISTRICT ACCOUNT

NETTIE M. C. WHITE, *Treasurer*

Balance 1933 appropriation	\$4,761.58
Dog licenses, April 1, 1934	240.35
Interest on Philbrick Fund	25.48
Appropriation, 1934	2,863.42

\$7,890.83

The foregoing report of the financial affairs of the Town of Deerfield is respectfully submitted to the citizens.

CARL M. FOGG,
WALTER B. SCOTT,
HOWARD P. KING,
Selectmen of Deerfield

Deerfield, N. H., February 4, 1935

We have examined the foregoing accounts of the Selectmen and find them correct and well vouched.

HAROLD E. HARTFORD,
HENRY P. HAYNES,
Auditors

THE PHILBRICK FUND

The Philbrick Fund is now the only fund handled by the Selectmen. There have been some changes in the various items and a statement of the several amounts and the income from them is as follows :

In Town Treasury, \$1,701.25, yielding $3\frac{1}{2}\%$.

In Amoskeag Savings Bank, \$1,200, yielding $3\frac{1}{2}\%$.

This amount (\$1,200) was derived from the sale of Manhattan Beach Railroad Stock.

During the year 1928 the Liberty Bond matured and this amount, \$150, is included in the amount \$1,701.25.

One-fourth of the income of this fund is payable to the School District for No. 1 School, and the remainder, after paying for the care of the Philbrick Cemetery, is payable to the Trustees of the Philbrick-James Library.

Deerfield, N. H., February 4, 1935

This is to certify that we have examined the foregoing account of the Philbrick Fund and found it correct.

HAROLD E. HARTFORD,
HENRY P. HAYNES,

Auditors

(Signed) NANCY T. STEVENS		

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board of Deerfield:

I have the honor of presenting herewith my sixth annual report. It deals chiefly with organization and school attendance, relative costs of school maintenance, improved facilities, and special activities.

ORGANIZATION AND SCHOOL ATTENDANCE

The experimental organization of the four primary grades in a separate unit at the Parade and a similar organization of the grammar grades at the Center has proved satisfactory and is being continued a second year. The better adaptation of methods and the quality of work accomplished indicate the advantages of such grouping by grades. This has been effected at no appreciable difference in cost.

I am pleased to report that no changes have occurred in your staff of teachers.

Although severe weather conditions noticeably reduced the percent of attendance and increased the cases of tardinesses in all schools, the outlying Pond and West schools continued to lead in the record of attendance.

RELATIVE COST OF SCHOOL MAINTENANCE

State statistics for the fiscal year ending June 30, 1934, show that among the 242 school districts in the state, taken in the order of total current costs per \$1,000 of equalized valuation, beginning with the lowest, Deerfield stands 152nd; the local elementary cost being \$5.23; state aid \$2.38; total elementary cost \$7.61; high school \$2.89; other current cost. \$0.86; making the total current cost \$11.36 per \$1000 of equalized valuation. Deerfield's corresponding total the previous year was \$12.03.

For the school year 1933-34 the average cost per pupil in the schools of Deerfield was \$76.76 compared with \$80.70 the preceding year. The state median for 1933-34 was \$72.46 per pupil.

This year the district's legal liability for high school tuition has been reduced from \$78.26 to \$73.81 per pupil.

IMPROVED FACILITIES

The necessary replacement of worn-out textbooks has made possible the introduction of more up-to-date materials, particularly in geography, health and science. New health books by Dr. Winslow, professor of public health at Yale Medical School, and Miss Mary L. Hahn, associate professor of health education at Michigan State Normal College, have been provided for the four grades in the Center Grammar School. New Atwood-Thomas geographies, "The Americas" and "Nations Beyond the Seas," have been placed in the Fifth and Sixth Grades of all schools. Craig's science readers, "The Earth and Living Things," have recently been secured for the Fourth Grade of the Parade School. These science and health series will be introduced in the other schools, when worn-out books require replacement.

Very little outlay for new equipment has been necessary. Six new ECLIPSE adjustable seats and desks have been added at the Center School. These replaced primary desks that were transformed to the Parade. A dozen juvenile recitation chairs have been purchased for the Parade and Pond Schools. Two new wall maps have also been provided at the Pond School.

The ten double seats and desks, now accommodating sixteen children at the Pond, should eventually be replaced by individual and adjustable equipment similar to that in use at the Center.

SPECIAL ACTIVITIES

The variety and permanent value of socialized activities conducted by the Parade School were exceptional among the one-room schools. In addition to participation with the other

schools in the exhibits and activities of Deerfield Fair and in the annual health program, an attractive sign naming the Parade School was placed above the entrances to the building, shrubs and flowers were purchased and set out on the grounds, a complete set of primary playground apparatus was bought and erected, and a school paper, *The Reporter*, edited and sold by the pupils. In recognition of this last activity the New Hampshire State Teachers' Bulletin reprinted for its hundreds of rural teachers practically the entire contents of the *Reporter*. Included in these reports you will find the financial statement of this school club.

Through your School Nurse, whose statistical report is printed elsewhere, first-aid cabinets have been provided in each school. Through the use of certain federal funds it has been possible to obtain a larger number of corrective treatments.

Over thirty dollars were received from federal relief funds and expended for hot lunches for those children who needed the supplementary lunch but were unable to pay for it. We have been assured that the daily milk ration, financed by a federal fund last year, will be continued this year until the first of June.

Through the co-operation of all teachers of upper grades, a complete battery of Metropolitan Achievement Tests has been given in Grades VI and VIII, and a partial battery in Grades V and VI. A profile chart has been made for each pupil. These charts show the individual's achievement in reading, vocabulary, arithmetic fundamentals, arithmetic reasoning, English and spelling. In the Seventh and Eighth Grades literature, history and geography are added. Since these tests were given at frequent intervals over a period of several weeks, they are a valuable index to the pupil's strength or weakness in certain studies. By appointment the Superintendent will be glad to discuss with interested parents the results of these tests.

CONCLUSION

While testing for facts and measuring scholastic achievement are valuable, your superintendent and teachers are in-

creasingly aware that more important to their pupils than trained minds stored only with interesting and useful facts is the individual encounter with actual experiences, the doing of real things in the real way, the habit of making comparisons and forming judgments, the necessity of assuming responsibility and "carrying on."

Most highly appreciated is the co-operation of parents, teachers, School Board and other citizens in seeking these higher objectives of education.

Respectfully submitted,

GEORGE H. HARMON,
Suprintendent of Schools

February 15, 1935

SCHOOL BOARD'S ESTIMATE FOR 1935-36

DETAILED STATEMENT OF EXPENDITURES

	<i>Elementary Schools</i>
